VISION

All students will have the knowledge, skills and dispositions for life-long learning and will be equipped to thoughtfully navigate and shape the world around them.

MISSION

To provide students with the best possible foundation in life through a well-rounded quality education and access to a broad range of educational opportunities.

OBJECTIVE

To ensure all students leave our school with the knowledge, skills, values and dispositions to enable them to achieve success in life.

VALUES

Our values are evident in everything that we do at Nungurner; in the way we teach, the way students learn, how everyone in our community treats one another and in our interactions with the wider world. We have translated these values into phrases which are accessible and easily understood and remembered by students.

- **Respect Yourself, Others and the Environment**
- **Persistence - Stick at it!** – Always persevere when you encounter difficulties. When we keep trying we learn, solve problems and become stronger and more resilient people.
- **Work together** – Be responsible and co-operate with all members of the school community so that we can create a positive and productive learning environment
- **Make Good Choices** – think before you act,
